National Anti-Bullying Week

16th-20th November 2015

National Anti-Bullying Week provides an opportunity for us to talk openly about the effects of bullying on the lives of children and young people and take action to stop it.

The aim for **Anti-Bullying Week 2015** is: to empower children and young people to make a noise about bullying-whether it is happening to them or to someone else, face to face or online.

What can you do as a parent or carer?

Please ensure that your child understands that bullying in any form is wrong. The use of any discriminatory language or behaviour will not be tolerated.
